#### B. WORK SESSION

# o Presentation by Windsor Tree Board

Mitch Nelson introduced Wendy Ball, Vice Chair with the Windsor Tree Board. Wendy provided input on the formation of a Tree Board and some of the challenges that can occur. The Tree Board had a number of questions regarding Tree Board formation and operation. Discussion regarding adopting a mission statement, working together on a budget, interaction with the Parks Department and other partnerships, keeping projects ready for any available funding, and a number of other procedural items. Member Simpson asked about some specific partnerships and Wendy Ball responded with the Colorado Tree Coalition and International Society of Arboriculture. Discussion regarding events followed, as well as good towns to look to for example Tree Boards, grant opportunities, and State Forest Service partnership, community outreach, and town funding. Member Stout mentioned getting the two Tree Boards together and it Wendy stated that would be a great opportunity. Bekah Smith brought up the concept of volunteer maintenance and some of the specifics with organizing an event like that. Wendy closed with pointing out that Severance has a great opportunity to make an impact and be taken seriously in the community and discussed her favorite and least favorite project in her time on the Windsor Tree Board.

## C. REGULAR MEETING

#### 1. Tree Standards

## Action

Town Planner Mitch Nelson stated that there was an AIS in the packet outlining the proposed actions for the Tree Standards and that he had made some changes based on discussion at previous meeting. He reiterated that this will be approved by the Board of Trustees. Member Simpson asked for some clarification on the species diversity, and Mitch Nelson pointed out the tree diversity table that was inserted. Discussion regarding the plant species list followed, specifically how the installation process impacts species choice. Member Hashaw asked whether we can still make suggestions on a case by case basis based on the site specifics. She mentioned a couple of maples that have issues with iron deficiency and should potentially be removed from some plans. Mitch Nelson requested that she share those specific species, and he would add those into the Tree Standards. Member Stout asked about the process for updating the Standards, and Mitch Nelson stated that it can always be changed with approval from the Board of Trustees.

**MOTION WAS MADE BY MEMBER SIMPSON** second by Member Smith to approve the Tree Standards with the adjustments discussed. All members present voting **YES**,

**MOTION CARRIED** 

## 2. High School Final Plat Landscape Plans

Action

Town Planner Mitch Nelson stated that the packet included the High School's landscape plans. He reiterated that with the high school many of the comments will be suggestions rather than conditions. He stated that staff is recommending approval. Member Simpson asked what changes have been brought up at this point, and Mitch Nelson reviewed some of his comments. Discussion regarding water sources for irrigation followed. Member Stout mentioned two species to remove, Texas Red Oak and Ulmus Japonica. Member Smith brought up Catalpa speciose being a legume, Mitch Nelson said he would look into if there was a seedless variety.

**MOTION WAS MADE BY MEMBER SMITH** second by Member Simpson to forward a recommendation of approval for the High School No.2 Final Plat to the Board of Trustees with the suggestions discussed. All members present voting **YES**,

**MOTION CARRIED** 

## D. **STAFF REPORTS**

Board approval may be sought for administrative actions in association with staff reports.

## • Town Planner

o Mitch stated that Member Lee had recently stepped down, and that Member Hoffman would be stepping in to a full time Board roll. He stated that staff would be working to find an alternate member. He explained the reason for the Public Works building being delayed. He stated that Tree City USA application is an annual cycle, and mentioned the Tree Peoples and Towns Conference. He stated that it will be on the member's own dime. Nick Wharton made the suggestion that in the next few meetings the Board adopt a mission statement, project list and goal setting. Mitch Nelson stated that he has grant application experience, and that he will put the mentioned items on the agenda with a head nod. Member Simpson brought forward the idea of a Tree Board booth at Severance Days. It was decided that the Board would like to reserve a booth. He stated that we can have an agenda item to discuss the event, including materials we'd need and that he would send a doodle poll to look at who can help. He closed by offering to have anyone that the Tree Board would like to have speak be added to the agenda. Member Stout asked about the formality of meeting with other Boards. Mitch Nelson stated that if they would like the best way to hold those meetings is a public work session.
